INFORMATION REGARDING BLUE CROSS ANTI-TRUST SETTLEMENT

The United Employee Benefit Trust (“Trust”) contracts with Premera to provide a PPO network. Premera is a Blue Cross Blue Shield affiliate. Blue Cross Blue Shield affiliates nationwide have entered into a class action settlement. Because the Trust used Premera during this time period covered by the class action (September 1, 2015 through October 16, 2020) it and the Trust participants are potentially eligible for a recovery.

The class action settlement allocates \$120 million to plans and participants which are self-funded as the Trust is. Please remember that this money will be used to satisfy all claims nationwide, so any one entity or person’s potential recovery is limited. Individuals participating in the Trust are eligible to share in the amount the Trust receives. If you are in a plan that pays one rate, the class action settlement provides as a default percentage that participants as a group can receive 25% of what the Trust recovers. If you are in a plan with tiered rates (single, family, etc.) participants can collectively receive 18% of the amount the Trust receives.

Claims must be filed before November 5, 2021. Claims may be submitted online through the Blue Cross Blue Shield Settlement website www.bcbssettlement.com or by mail to:
