2021 Annual Flu Shot – Paid for by the Pacific Health Coalition.

UEBT has been participating in the Pacific Health Coalition since 2019. The Coalition will not be providing a Health Fair this year; however, the Coalition will be providing **FREE FLU SHOTS** that you can receive at your local pharmacy with a voucher. Because the Coalition and your health plan understand the importance of you receiving a flu vaccine, the Coalition is offering options for you and your eligible, enrolled dependents to get your flu shots at **NO COST** to you or your health plan.

Beginning September 1, 2021 flu vaccination vouchers* are available to redeem for yourself and your eligible family members. **You must request the vouchers in advance by registering online at www.coalitionhealthfair.org.**

- Pre-registration begins August 9, 2021
- Please be sure to bring a printed copy of your voucher with you! The voucher is required to receive flu shot services.
- Vouchers will be emailed 7 - 10 business days after you pre-register. If you do not receive the email, please check your spam folder.
- Vouchers must be redeemed by **November 15, 2021**.
- Vouchers do not cover high dose vaccine
